Come join the Howell Girls Softball league for our 2017 season. Since 1996, the HGSL has been the only league dedicated the girls of Howell in teaching them the correct way to play softball. HGSL is open to all players aged 4 to 17 (as of 12/31/16) and consists of over 325 girls that play recreationally or as part of our 6 team NJ Heat travel program. Many of our travel players learned how to play softball at HGSL at the recreation level and are now playing more competitively in tournaments throughout the east coast. We also have numerous HGSL alumni that play at a collegiate DI, DII and DIII level. **Reduced rates available to January 31st!**
