Come join the Howell Girls Softball league for our 2018 season. Since 1996, the HGSL has been the only league dedicated the girls of Howell in teaching them the correct way to play softball. HGSL is open to all players aged 4 to 17 (as of 12/31/17) and consists girls that play recreationally or as part of our 6 team NJ Heat travel program. Many of our travel players learned how to play softball at HGSL at the recreation level, have been great players and leaders on their school teams and are also playing more competitively in tournaments throughout the east coast. We also have numerous HGSL alumni that play at a collegiate DI, DII and DIII level.
