

Dear Students,

The Howell Township Education Foundation and Howell Township Education Association will be holding our annual T-shirt design contest and we need your help! On May 19th, 2018, the HTEF and HTEA will be co-sponsoring a Family Fun **Color Run**. Our runners/walkers will be raising money for the Foundation so we can award grants (money) to your teachers to make your school lessons more innovative and exciting!

Right now the T-shirts our runners will be wearing are blank. We need our runners and walkers to look stylish. That's where you come in. We need a design for our T-shirts and we are hoping you can help. The winning design will be printed on all the T-shirts worn by our race participants. To make things even more interesting this year's race will be a COLOR RUN!

The winner of the contest will receive \$100 and a T-shirt with the winning artwork.

Here are the Guidelines you need to follow when designing your artwork

- You must submit your design on a **8 1/2 x 11" white paper**. (Please do not draw a T-shirt around your art)
- Your design must only have **2 colors**
- Your design will include the following words:

**9th Annual Howell Township Education Foundation
Race to Educate Color Run
May 19th, 2018**

- You may not use any trademarked characters/artwork in your design.
- Your design must be handed to your art teacher by **Friday, March 16th**
- Please make sure to include your name, school, and homeroom teacher's name **on the back** of your submitted design.

Good Luck,
Valerie Rosenberg
