HOWELL BASKETBALL – BUILDING EXCITEMENT:

Coach Patrick Ramsay just completed his fifth season at Howell High School. Coach Ramsay has made a huge commitment to teaching basketball to our young players. In the past our younger players have had to travel to other towns to sharpen their skills. His hard work and dedication to the game of basketball is a wonderful compliment to our town.

Players of all abilities are welcome. The emphasis of our camp will be to develop fundamental skills using group and individual instruction. Drills will be conducted in small groups and in stations. There will be ample game play and contests. Campers will be grouped based on age, size and ability level by Coach Ramsay and his experienced group of assistants. Awards and prizes will be given to winning team members, most improved and most valuable players and to contest winners as selected by the staff.

Of course, the primary emphasis will be on having fun and enjoying the game of basketball.

We hope to see everyone this summer.
