

Support Brain Cancer Awareness Month

Let's raise awareness for both Jake Honig's Law and Brain Cancer Awareness by purchasing a cool t-shirt! 100 % of the proceeds will go directly to the exact research project at CHOP (Children's Hospital of Philadelphia) where Jake's tumors are currently being studied, to help other kids like Jake! Childhood cancer needs YOUR help!

Please go to belikejake.com to learn more & to order a shirt. Please note the youth size t-shirts are school friendly. **Order by May 31st!** #belikejake
