## Fall Recreational Soccer Season

Our outdoor soccer program is a recreational league for players up to age 18. All games are played at Hugh Hoffman fields on Adelpia-Farmingdale Road in north Howell.

Our season will begin in early September and run for ten weeks. Games are scheduled on Friday evenings or Saturday mornings.

We offer the following programs:

- The Under-4 program (Saturday mornings) is an introduction to soccer for players younger than 4.
- The Under-5 program (Saturday mornings) is for 4-year-olds.
- The Challenger program (Saturday mornings) is for players aged 6-12 who have special needs. Challenger players receive individual attention, and are not assigned to teams.
- Teams in other age-groups play a scheduled game each week on Friday evening or Saturday morning.

Girls aged 5-14 can choose to play on all-girl or co-ed teams. We do not have all-girl teams for players under 5 or over 14.

We are a volunteer organization, and we need all our members to participate. The registration commitment is:

- \$70 per player for the first two players in a family (excluding Challenger players).
- \$35 for each additional player (except Challenger players).
- \$35 per player for players registered for the Challenger program.
- Late registration fees:
  - \$10 per player additional charge for each player registered after **Sunday July 29<sup>th</sup>**.
  - \$15 per player additional charge for each player registered after **Sunday August 19<sup>th</sup>**.
- Each family must volunteer for at least one activity during the season.

Please register as early as possible, as **assignment is not guaranteed** and players are placed in order of registration. Planning will be based on player and coach registrations received by **Sunday July 29<sup>th</sup>**.
