

Howell Township Public Schools

PLAY ● **PASSION** ● **PURPOSE**

Join us for a night of innovation, imagination, inspiration & making!

P3 Maker Expo

Spend an evening with students and staff from the district's 12 schools at this exposition to:

- ▶ Hear from students about their STEAM (*Science Technology, Engineering, Arts, Math*) TANK Challenge innovations.
- ▶ Facilitate dialogue between music makers.
- ▶ Collaborate with students and staff to learn what excites them about STEAM.
- ▶ Hear from our student composers, songwriters and producers.
- ▶ Play, tinker, create, engineer and become an innovative designer and problem solver.
- ▶ Explore robotics, coding and 3D printing.
- ▶ Learn about strategies and classroom practices that bring these amazing outcomes to life!
