Speaker Spotlight

Susan Levine

joins us for a presentation on supporting siblings of children with disabilities!

Susan Levine is a cofounder and social worker at Family Resource Associates Inc., a nonprofit agency supporting individuals with disabilities and their families throughout central New Jersey.

With more than 30 years of experience, Susan has developed and led support programs for parents and siblings of children with differing abilities, including families of children with down syndrome.

She is also the co-author of *Fasten Your Seatbelt: A Crash Course on Down Syndrome for Brothers and Sisters.*

All are welcome!
