

5420 REPORTING PUPIL PROGRESS

The Board believes that the cooperation of school and home is a vital ingredient to the growth and education of the whole child. It recognizes its responsibility to keep parent(s) or legal guardian(s) informed of pupil welfare and progress in school.

The Board directs the establishment of a system of reporting pupil progress which shall include reporting on grades/standards as specified herein, and shall require all appropriate staff members to comply with such a system as part of their teaching responsibility.

The Superintendent in conjunction with appropriate teaching staff members shall develop procedures for reporting pupil progress to parent(s) or legal guardian(s) which:

1. Insure that both pupil and parent(s) or legal guardian(s) receive ample warning of a pending grade of "failure" or one that would adversely affect the pupil's status.
2. Specify the reporting on grades/standards of report cards at three intervals annually.
