5880 PUBLIC PERFORMANCES BY PUPILS

All requests for public performances outside the schools by students require the approval of the Superintendent. The Superintendent shall develop procedures to implement this policy which requires that:

1. Parental permission be sought and received before students may participate.
2. No student be compelled to participate in a public performance or penalized in any way for failure to do so.
3. No student, group of students or employee of this Board receive compensation for the performance in public of students organized for a school activity.
4. The interests of our students be protected and guarded against exploitation.

This policy shall apply whenever the students involved use the name of the school system or a school in the system.
