Dear Parents and Guardians,

While we all recognize these are unprecedented times and certainly unsettling for our families and staff, we would like to thank our entire community for what has been nothing short of a remarkable example of true home/school partnership.

Please be advised that the Howell Township Public Schools will be extending their remote learning environment to April 8<sup>th</sup>. The school district will begin spring break starting on April 9<sup>th</sup> as previously indicated on this year's calendar. Spring break will conclude on April 19<sup>th</sup>. We will continue the education of our students on April 20<sup>th</sup>, however, we are unable to determine at this time if we will be returning to the traditional school setting or further extending our remote learning program. We will continue to monitor and assess the situation and maintain communication as needed.

Thank you and please remain safe,
