Howell Township Public Schools

Dear Parents:

Our kindergarten registration process for children who will be 5 years old on or before October 1, 2023, will begin on February 1, 2023, ONLINE. You must complete online pre-registration from any computer/device with internet access. After providing your student's information you will be asked to select an appointment time for the in-person verification session which will take place at the district's Central Registration Office. During the in-person verification session, you will need to present the following required documents:

- Student's original birth certificate with raised seal
- 2 proofs of residency
- Completed residency affidavit
- Student's current physical exam and immunization record
- Parent/Guardian Photo ID

Please note: If your student currently attends Preschool within the Howell Township School District, you do not need to register your student, they will be automatically enrolled as a Kindergarten student.

Further details and directions for the full registration process can be found on the Howell Township Public Schools' website: https://registration.howell.k12.nj.us.

If you are unable to access the internet from home, the on-line kindergarten pre-registration can be completed from ANY computer/device with internet access; local libraries have computers with this capability available to you. If you have additional questions about the registration process, please call the Central Registration Office at 732-751-2480 x3860.

Upon completion of registration, a time will be arranged for you and your student to visit our schools and become familiar with our program. In the meantime, we would appreciate it if you would share this registration information with others who have children eligible for kindergarten, and who might not otherwise receive this notice.

We look forward to welcoming your student to our Howell school family.

Sincerely,

Dorothea Fernandez, Director of Pupil Services
