Title I – Parental Involvement

TITLE I – PARENTAL INVOLVEMENT

GENERAL EXPECTATIONS

The school district will put into operation programs, activities, and procedures for the involvement of parents in all of its schools with Title I, Part A programs, consistent with Section 1118 of the Elementary and Secondary Education Act (ESEA). Those programs, activities, and procedures will be planned and operated with meaningful consultation with parents of participating children.

Consistent with Section 1118, the school district will work with its schools to ensure that the required school-level parental involvement policies meet the requirements of Section 1118(b) of the ESEA, and each include, as a component, a school-parent compact consistent with Section 1118(d) of the ESEA.

The school district will incorporate this Parental Involvement Policy into its school district's plan developed under Section 1112 of the ESEA.

In carrying out the Title I, Part A parental involvement requirements, to the extent practicable, the school district and its schools will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under Section 1111 of the ESEA in an understandable and uniform format, including alternative formats upon request, and to the extent practicable, in a language parents understand.

If the school district's plan for Title I, Part A, developed under Section 1112 of the ESEA, is not satisfactory to the parents of participating children, the school district will submit any parent comments with the plan when the school district submits the plan to the New Jersey Department of Education.

In the event the school district is required to reserve and spend at least one percent of the district's Title I, Part A allocation, the school district will involve the parents of children served in Title I, Part A schools in decisions about how these funds will be spent and will ensure that not less than ninety-five percent of the one percent reserved goes directly to the schools.

The school district will be governed by the following statutory definition of parental involvement, and expects Title I schools in the district will carry out programs, activities, and procedures in accordance with this definition:

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving pupil academic learning and other school activities, including ensuring-

1. That parents play an integral role in assisting their child's learning;
2. That parents are encouraged to be actively involved in their child's education at school;
3. That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child; and
4. The carrying out of other activities, such as those described in Section 1118 of the ESEA.

In the event the State of New Jersey or the New Jersey Department of Education has a Parental Information and Resource Center, the school district will inform parents and parental organizations of its purpose and existence.

Policy Involvement

Each school served with Title I funds will:

1. Convene an annual meeting, at a convenient time, to which all parents of participating pupils shall be invited and encouraged to attend, to inform parents of their school's participation and the requirements of this Policy, and the right of the parents to be involved;
2. Offer a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services relate to parental involvement;
3. Involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs, including the planning, review, and improvement of the school parental involvement policy and the joint development of the school-wide program plan under Section 1116, ESEA;
4. Provide parents of participating pupils:
 - a. Timely information about programs required by ESEA;

- b. A description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet; and
 - c. If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible; and
5. Submit any parent comments on the plan when the school makes the plan available to the Board of Education, if the school-wide program plan under ESEA is not satisfactory to the parents of participating pupils.

Shared Responsibilities For High Student Academic Achievement

Each school served by Title I funds shall jointly develop with parents of all pupils served with Title I funds, a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards. The compact will:

1. Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the pupils served by Title I funds to meet the State's student academic achievement standards, and the ways in which each parent will be responsible for supporting their children's learning, such as monitoring attendance, homework completion, and television watching; volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time; and
2. Address the importance of communication between teachers and parents on an ongoing basis through, at a minimum:
 - a. Parent-teacher conferences in elementary schools, at least annually, during which the compact shall be discussed as the compact relates to the individual pupil's achievement;
 - b. Frequent reports to parents on their children's progress; and
 - c. Reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities.

Building Capacity For Involvement

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and school district assisted with Title I funds:

1. Shall provide assistance to parents of pupils served by the school in understanding such topics as the State's academic content standards and State student academic achievement standards, State and local academic assessments, the requirements of this Policy, and how to monitor a child's progress and work with educators to improve the achievement of their children;
2. Shall provide materials and training to help parents to work with their children to improve their children's achievement, such as literacy training and using technology, as appropriate, to foster parental involvement;
3. Shall educate teachers, pupil services personnel, Building Principals, and other staff, with assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school;
4. Shall, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with Head Start, Reading First, Early Reading First, Even Start, the Home Instruction Programs for Preschool Youngsters, the Parents as Teachers Program, and public preschool and other programs, and conduct other activities, such as parent resource centers, that encourage and support parents to more fully participate in the education of their children;
5. Shall ensure that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and, to the extent practicable, in a language the parents can understand;
6. May involve parents in the development of training for teachers, Principals, and other educators to improve the effectiveness of such training;
7. May provide necessary literacy training from Title I funds if the school district has exhausted all other reasonably available sources of funding for such training;

8. May pay reasonable and necessary expenses associated with local parental involvement activities, including transportation and child care costs, to enable parents to participate in school-related meetings and training sessions;
9. May train parents to enhance the involvement of other parents;
10. May arrange school meetings at a variety of times, or conduct in-home conferences between teachers or other educators, who work directly with participating children, with parents who are unable to attend such conferences at school, in order to maximize parental involvement and participation;
11. May adopt and implement model approaches to improving parental involvement;
12. May establish a district-wide parent advisory council to provide advice on all matters related to parental involvement in Title I programs;
13. May develop appropriate roles for community-based organizations and businesses in parent involvement activities; and
14. Shall provide such other reasonable support for parental involvement activities under this Policy as parents may request.

Accessibility

In carrying out the parental involvement requirements of ESEA and this Policy, the school and school district, to the extent practicable, shall provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, to include providing information and school reports required under ESEA in a format and, to the extent practicable, in a language such parents understand.

The district will inform parents of any parental information and resource centers that provide training, information, and support to parents and individuals who work with local parents, school districts, and schools receiving Title I funds.

Title I – Parental Involvement

Adoption

This Parental Involvement Policy has been developed jointly, and agreed on with parents of children participating in Title I, Part A programs. This Policy will be distributed to all parents of participating Title I, Part A children in an understandable and uniform format and, to the extent practicable, in a language the parents understand, at the beginning of each school year or when the child is determined eligible and begins participating in Title I, Part A programs.
