The Howell Township Board of Education operates in a robust committee structure. Agenda items have been presented and evaluated in the committee format, or vetted administratively, prior to the Superintendent making the recommendation to the Board of Education. In the committee process and subsequently, the members of the Board work with the administration and the Superintendent of Schools to assure that they fully understand the matter. Committee Chairs then make full reports to the Board prior to action being taken. In rare instances, matters are presented to the Board of Education for broader discussion at the same meeting where final action may be taken.

The Board uses Public Comment as an opportunity to listen to Public Comments. It is not intended to be used to debate issues or to enter into a question and answer session as this formal procedure provides respect for members of the public who may wish to speak. In accordance with it's Bylaw, the Board will limit each speaker's comments to 3 minutes. The Board does not recognize proxies or the practice of sharing of time with another speaker. Each speaker needs to be recognized and called by the presiding officer. In accordance with Bylaw 0167, please sign in at one of locations this evening with your full name, home address and other information needed to allow the district to contact you to respond to your comments after this evening. The Presiding Officer or designee will use this list to call up residents that supplied their full name and address by their full name to speak during each Public Comment session. If you fail to submit your full name and / or address for the record, you will not be invited to the podium to address the board. Please remember all comments are to be directed to the Presiding Officer, and not individual Board Members or members of Administration. Once your three minutes have expired please step away from the podium so the next member of the Public can have a chance to speak as well. We understand certain matters such as the Executive Orders and mandates, can invoke strong emotional feelings on both sides of the order. The Board will maintain a level of decorum toward all speakers. Everyone is expected to maintain their own courtesy and civility toward the Board, Administration and more importantly, towards each other. Calling out, shouting down or disruption by any resident in the audience will not be answered or tolerated. Anyone that cannot live by that will be asked to leave the room (or the meeting). As reflected in our policy, each Public Comment portion of the meeting tonight is 45 minutes with the President being the official time keeper. Please note, some time during our second Public comment section, will be used for comments sent in via email. Since not all issues before the Board can be resolved immediately the Board will not be responding to issues raised during Public Comment, however, we may seek additional information so Mr. Isola or one of the other administrators can look into the matter. This allows for as many people as possible to speak during our meetings. We thank you in advance for your cooperation.
