

How to View Student Assessments via the Parent Portal

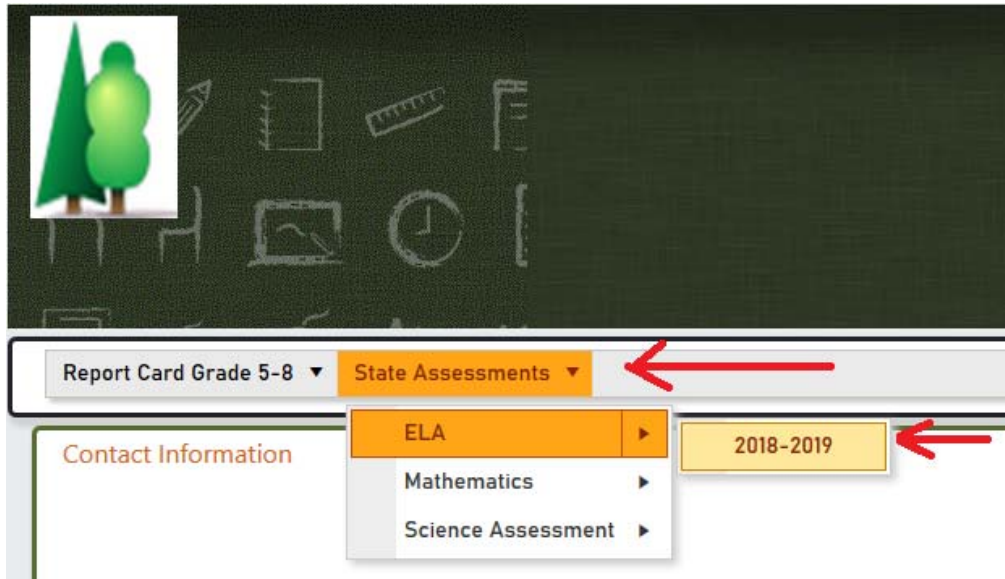

1. Login to the Parent Portal with your parent credentials.

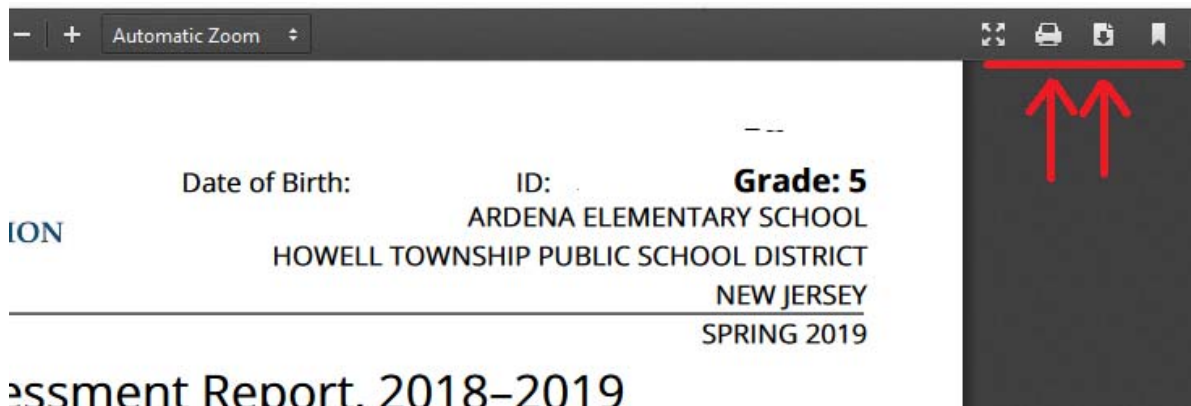

2. Under the left-side Navigation section, click on the ASSESSMENT PORTFOLIO icon (If you have multiple Students in the district you will need to click on the NAME of the Student you wish to view in the NAME BAND above the Navigation section first).

3. From the Student Portfolio landing page, click on the STATE ASSESSMENTS tab. Then click on the Assessment Subject Area you wish to view, then click on the Assessment Year to view the report.

4. The report will display in your document viewing software, either Adobe Acrobat or Microsoft Edge. Click on the link to Print and/or Download the report in the top right hand corner of the screen.

The report card will be displayed in a PDF format. If you do not have a PDF Reader application loaded on your computer, please download and install the latest free version of Adobe Acrobat Reader from the link below:
